

GREAT OAKS CHARTER SCHOOL STANDARDS OF CONDUCT

PURPOSE & PHILOSOPHY Great Oaks Charter School - Wilmington has created a Code of Conduct in order to:

- Maintain a safe, structure and respectful space for learning.
- Allow students to focus on learning.
- Prepare students to have the greatest number of secondary and post-secondary options and to ultimately attain economic freedom.

The Code of Conduct describes behaviors that GO-WIL considers inappropriate or unacceptable, and the consequences earned for those behaviors.

BEHAVIORAL INFRACTIONS The following list of behavioral infractions is not comprehensive; it offers examples of inappropriate or unacceptable behaviors. While we have stated possible consequences for certain behavioral infractions, GO-WIL Administration has sole discretion to determine the consequence of each behavioral infraction.

A school-related behavioral infraction refers to the violation of this code occurring:

- While the student is on school grounds, Community Education Building property or school-related transportation.
- During school-sponsored activities and trips.
- During all other school-related events.
- Off of school grounds that results in substantial disruption to the school environment and the student population.

Enforcement of GO-WIL's Code of Conduct is based upon a framework of progressive discipline. In other words, minor infractions result in less severe consequences while larger consequences result in more severe consequences. Also, first-time infractions result in less severe consequences while repeated infractions result in more severe consequences.

Demerits. Demerits are corrections for behaviors that are not conducive to a positive learning environment. Demerits are issued in three forms: Tier A Demerits, Tier B Demerits, and Tier C Demerits. Demerits are tracked over the course of the five-day behavior week, which begins on Friday and ends on Thursday. Character Reports will be sent home every Thursday. Every Friday, all students begin with 100 merits. Their Merit Total will move up and down over the course of the week, depending on the merits and demerits that they earn. Tier A Demerits deduct 1 merit point, Tier B Demerits deduct 2 merit points, and Tier C deduct 4 merit points. Students' behavior week culminates on Thursday afternoon, and students earn Tuesday Detention if they earn below 85 demerit points for the week..

Tiers of Consequences Students who have not responded to the redirection of a Tier A Demerit may earn a Tier B or Tier C Demerit. Students are expected to always respond respectfully to the direction of school staff. Behaviors

that are considered disrespectful include but are not limited to: rolling of the eyes, making inappropriate remarks or sounds in response to a request, or questioning a staff person's action in a disrespectful manner. At GO-WIL we work to help students become mature young adults. To that end, while we will not tolerate disrespect, we do allow for students to express disagreement in a respectful manner. The school has developed routines and procedures that enable students to easily express such disagreement with respect for all involved. Failure to disagree respectfully will result in further consequences.

Detentions If a student loses a total of 8 points in a school day, the consequence is serving Lunch Detention for the following day. If a student earns below 85 merit points at the end of the week (Thursday), the consequence is Tuesday After School Detention 4:30 pm - 6 pm. Students receive weekly DHS reports that outline behaviors documented that earned them detention. Please see the Promotion to the Next Grade section to see how Detention accumulation can affect Student Promotion.

In-School Suspension (ISS). At times, particular infractions warrant consequences that are more severe than detention, but less severe than Out-of-School Suspension (OSS). ISS is the removal of a student from regular classroom activities, but not from the school premises. Therefore, Great Oaks Charter School - Wilmington has an ISS model ensuring that students have access to the curriculum while at the same time ensuring that students face serious consequences for their choices. ISS is a discretionary alternative that may be used as a medium between Minimum and Maximum range disciplinary consequences when the minimum disciplinary consequence does not exceed 1 day suspension.

Out-of-School Suspension (OSS). Short-term OSS is the removal of a student from the school premises and regular classroom activities for ten consecutive days or less. Homebound Instruction also known as 45 day plus Alternative Out of School Academic Instruction is the removal of a student from school premises and regular classroom, a consequence earned when students face extremely serious consequences for their choices outlined below.

Expulsion. Expulsion is defined as the exclusion from Great Oaks Charter - Wilmington on a permanent basis at the discretion of the School Directors. The Executive Director, Principal and/or Board have the authority to expel students due to egregious behavioral infractions.

Promotion to the Next Grade Attendance. Consistent and punctual attendance to school is foundational. Chronic Absenteeism and Tardiness: Twenty (20) absences, excused or unexcused, in any year will result in a student repeating the year, withdrawing or being expelled, at the Administrative Team and Executive Director's discretion.

Pass All Classes. Class credit is determined by a combination of coursework, participation and quarter exams. Passing at Great Oaks Charter requires students earning a minimum of 60% average in each class at the end of the year. Each quarter is weighted equally for the final year average. A student who earns below 60% in a class at the end of the year does not pass the class.

If a Great Oaks Charter School student does not pass three or more courses, the student will repeat the grade and all coursework the following year. Students who fail two or less courses will be able to attend summer school, and must adhere to all summer school expectations and earn a passing grade in order to be promoted to the next grade. See Summer School Handbook for more details.

Promotional Hours. It is expected for students to engage in character development inside and outside of school hours in order to be promoted to the next grade. Common Conduct Definitions

Delaware Regulation 14 Admin C 614 provides for uniform definitions of certain conduct that may result in expulsion or alternative placement. The full regulation may be accessed at <http://regulations.delaware.gov/AdminCode/title14/600/614.shtml>. Parents may request a paper copy of this regulation at the front office.

Right to Hearing

It is the school's expectation that most conduct violations under these standards will be resolved through a problem solving conference with the student during which the student is given full opportunity to be heard. However, whenever the school receives reliable information that conduct has occurred which may warrant a suspension of more than 5 days or expulsion, the school shall notify the student and the student's parent of the alleged conduct violation and will conduct an investigation. If, at the conclusion of the investigation, the student admits to the conduct or the administration and the parents mutually agree to a resolution, no further proceedings will be held.

If the violations are not disposed of by mutual consent, the Head of School shall conduct a private hearing within 5-15 days to determine whether or not a violation occurred. The student is permitted to invite others with information relevant to the incident to the hearing and/or may submit written documents to the Head of School. The Student's parent may request receipt of all evidence of the allegations, including any documents, prior to the hearing. The hearing shall not necessarily delay the imposition of disciplinary action, unless so determined by the Head of School. At the conclusion of the hearing, the Head of School shall determine whether a conduct violation occurred and the appropriate disciplinary action to impose.

Mandatory Reporting

State law obligates Great Oaks Charter School to report, and at times to prosecute, certain offenses enumerated in Title 14, Section 4112 of the Delaware Code. In any instance where a Student or a Parent/Guardian is found to have committed one of the enumerated offenses against a School Employee, the Head of School shall without reasonable delay, file the appropriate charge against the student or the Parent/Guardian. In all cases where a reportable offense has occurred, the School shall consult with police authorities. In addition, the State Board of Education requires reporting of the additional incidents to the Department of Education.

Appeals for Suspensions and Expulsions

Right to Appeal: If a student is suspended from school or from the bus for five (5) or more days or if the student is expelled from Great Oaks Charter School, the student's parent/guardian may appeal the decision to Great Oaks Charter School's Board of Directors Discipline Committee by written notice to Head of School within 48 hours of notification of the suspension or expulsion. Failure to notify the Head of School within 48 hours will render the school's determination final.

Review by the Discipline Committee: All appeals from suspensions and expulsions shall be heard by the Discipline Committee. The Discipline Committee has authority to make final determinations on suspensions and expulsions on behalf of the Board of Directors.

a. The Discipline Committee shall convene as soon as practicable to hear the student's appeal, but no more than five (5) school days after receipt of the appeal. b. The Discipline Committee shall consider only three issues:

i. whether the hearing at the school level was conducted fairly and in conformity with prescribed procedures; ii. whether there existed a factual basis, which if believed, would be sufficient to establish the offense; and iii. whether the punishment is proportionate to the offense.

c. The Discipline Committee will review the decision of the school on the record and will take action based upon the recommendation and evidence summarized by school. A parent/guardian of the student and the student may address the Discipline Committee during the appeal hearing. However, the Discipline Committee shall not consider evidence not previously considered by the administration.

d. The Discipline Committee shall render a decision at the conclusion of the hearing and within 3 days shall provide a written summary of the decision of the Discipline Committee to the student's parent/guardian and to the school.

During the investigation and review, the Student shall remain suspended from school.
